BESKRIVNING

From Taki 183 from Blade to Iz the Wiz. Their names have reached stardom far beyond the graffiti culture and without them, no Seen, Banksy or REVOKE. In Classic Hits the pioneers tells all how they started and where graffiti took them. We follow them to a different New York and get a glimpse into their driving force. Together, the essays an invaluable picture of what graffiti was during the early, playful years. Graffiti is the greatest and most influential art movement of our time, created by youth, for youth. In Classic Hits, the key people and pioneers tells the story of their own story in unique images and text. Contains essays and quotes from: Ale One, All Jive 161, Blade, Cay 161, Checker 170, Clyde, Death, FDT 56, Flint 707, Iz The Wiz, Jester 1, Joe 182, Lava, LSD OM, Mico, Pnut 2, Roger 1, Ski 168, Snak 1, Taki 183 and Vamm
